

QR (QUICK-RELEASE)

- ▶ For vacuum pump P2010.
- ▶ Quick release by accumulating and utilising the feed-air pressure as a boost.
- ▶ ON/OFF activated simultaneously with the P2010
- ▶ Two sizes for optimising release volume with system volume.
- ▶ Quick and easy mounting with push-in connections.

TECHNICAL DATA

Description	Unit	Value
Feed pressure, max.	MPa	0.7
Material		PA, NBR, Al, SS, POM, CuZn, PE
Temperature range	°C	-5-50
Connection, compressed air	mm	3 x Ø4

For dimensions, please go to data sheet for vacuum pump P3010.

TECHNICAL DATA, SPECIFIC

Description	Unit	Value	
		0110350	0110351
Weight	g	27	29
Volume, Quick-Release tank	cm ³	0.9	2.3
Dimension, WxDxH	mm	44x10x38	44x10x66

ORDERING INFORMATION

Description	Art. No.	ECW	ACW
Quick-Release 0 pneumatic, P2010	0110350		
Quick-Release 3 pneumatic, P2010	0110351	v	

ORDERING INFORMATION, ACCESSORIES

Description	Art. No.	ECW	ACW
Plug M8x1	0110155		
Quick-Release tank P2010	0110156
